LEADERS IN THE FIGHT

GOVERNOR GLENN.

CHAIRMAN OATES.

CAROLINA WILL DRIVE SALOONS FROM STATE

(Continued from First Page.)

The constitutionality of the act in allowing dry places to vote on wet places without result affecting these dry places. However, it is felt that in such an event the Legislature that meets in January could make it statutory and would do so.

ROWAN COUNTY GOES DRY

Decisive Majority for First Time Against Liquor Distilleries to Close.

SALISBURY, N. C., May 26.—The latest returns to-night indicate that Rowan county has gone dry by 673; Salisbury, 123; Statesville, 505; Iredell county, 1,200; Mocksville, 146; Davie county, 450; Lexington, 390; Davidson county, 500; Albemarle, 37; Concord, 135; Cabarrus county, 75; Alexander, 100, and other adjoining counties giving safe prohibition majorities. Stanley county went wet by 276.

At nearly all the precincts in this section of North Carolina large numbers of ladies worked at the polls, winning hundreds of dry votes. The anti-liquor work, vainly trying to hold the State. The storm centered in Salisbury, where many distilleries and saloons are located.

For the first time in its history Rowan gave a decisive majority dry, and the whiskey traffic will cease January 1st. All the counties gave large wet majorities in the prohibition election in 1881, when North Carolina went 17,000 against temperance. Reports to-night from all sections indicate a dry majority of 60,000 for the entire State.

FORSYTH DRY; DURHAM WET

Winston-Salem Gives Big Dry Majority—Durham Wet by 313.

[Special to The Times-Dispatch.]
WINSTON-SALEM, N. C., May 26.—Complete returns put Forsyth in prohibition column by a majority of over 1,500. Winston-Salem voted "dry" by 541 majority. Every county precinct except two went for prohibition. Stokes county gives 400 majority against prohibition. Davie county is "dry" by 300, and Surry by 150.

Durham Votes Wet.
[Special to The Times-Dispatch.]
DURHAM, N. C., May 26.—After a militant campaign with untiring efforts by the factions until the last votes were cast, Durham township voted against prohibition by a majority of 312 votes, and it is now estimated that when the official returns from the county are received that it will place the anti in the lead by 650 votes.

Out of the eleven precincts which have made official returns to-night the prohibitionists carried only two. It was a complete landslide for the anti-liquor party, and it is now estimated that a number of the county precincts have made unofficial returns, and it is assumed from these that the above figures are a conservative estimate.

Guilford Goes Dry
[Special to The Times-Dispatch.]
GREENSBORO and High Point Give Decisive Anti-Liquor Majorities.

[Special to The Times-Dispatch.]
GREENSBORO, N. C., May 26.—The State prohibition election passed off to-day without incident, except an impressive parade in the city by prohibition forces of 2,500 children, the men respectfully doffing hats as they passed. Official returns from fourteen out of twenty-eight precincts in the county give 1,700 majority for prohibition, of which the cities of High Point, with two precincts, gave 838; Greensboro's four precincts, 798. Returns from the remaining county precincts will swell the prohibition majority to over 2,000. The only wet majority over ten was a cotton mill precinct, where 100 wet majority was recorded. Total official vote of the fourteen precincts heard from is: dry, 2,890; wet, 1,137.

At High Point.
HIGH POINT, N. C., May 26.—In the

election here to-day prohibition won by a majority of 251 over 200 votes being cast unfavorable. Prayer and song services were held throughout the day in rooms close to one voting place. The prohibitionists worked unceasingly, and free ice water and lemonade were handed out. There is great rejoicing.

WOMEN WORK AT POLLS

This One of the Features of the Day at Asheville—Charlotte Dry.

[Special to The Times-Dispatch.]
ASHEVILLE, N. C., May 26.—The voting in this city to-day on State prohibition was conducted in a quiet and orderly way. There were a few women at each of the polling places, who were active in their efforts for prohibition, but the scenes witnessed at the polls last fall, when the issue was a local one, were not in evidence. A normal vote was polled, Buncombe county giving a majority of 3,500 against the sale or manufacture of liquor. The majority for prohibition in Asheville was slightly over 1,000. Reports from the western counties of the State indicate large majorities for prohibition.

Decisive in Charlotte.
[Special to The Times-Dispatch.]
CHARLOTTE, N. C., May 26.—The election passed off quietly here to-day, only a light vote being polled. Prohibition bill winning by a majority of 944 votes.

The methods adopted by the prohibitionists kept many away from the polls.

Halifax Gives 900.
WELDON, N. C., May 26.—Weldon Precinct gives 228 for prohibition to 9 against. Official vote of four precincts gives a prohibition majority of 345. Halifax county will give at least 600 majority for prohibition. All former saloonkeepers here voted prohibition.

Henderson and Franklin.
HENDERSON, N. C., May 26.—In Henderson the vote stood: For prohibition, 404, against it, 258; majority, 146.

Dabney, 15 majority. Six townships not heard from. Estimated majority in the county is 300 in favor of prohibition. Indications from Franklin county is that it will give a majority against prohibition.

In Cumberland.
FAYETTEVILLE, N. C., May 26.—Returns from Cumberland county complete, except as to five precincts, and with missing precincts estimated, show a majority of 540 for prohibition. The total official vote will not be received before to-morrow noon, but a revision will make but little change from above figures.

Carry Rockingham.
ROCKINGHAM, N. C., May 26.—The county is dry by 500 or 600 majority. Lexington, the largest township, gave 400 majority dry.

Every township except two gave dry majorities. The county has been in the wet column heretofore. The vote in the county was larger than the last gubernatorial vote. The ladies were at the polls in large numbers.

Nearly All Prohibition.
KINSTON, N. C., May 26.—Lenoir county gave probably 650 majority for prohibition. The city of Kinston gave 526 majority for prohibition. Indications are that nearly all eastern counties went for prohibition by good majorities except probably Onslow and New Hanover.

Edgecombe and Nash.
TARBORO, N. C., May 26.—Edgecombe gives a majority of 183 wet, with one precinct to be heard from. Probable majority 224. Tarboro wet by 17. Rocky Mount, this county, a majority wet. Schools closed and ladies appeared at the polls in Rocky Mount, where fourteen saloons are located.

Rocky Mount, N. C., May 26.—Two townships comprising Rocky Mount give prohibition a majority of 181. Incomplete returns indicate Nash county has gone dry and Edgecombe wet by small majorities.

Craven County.
NEWBERN, N. C., May 26.—Craven county will give prohibition a majority of 100 to 150. Newbern city majority for prohibition, 225. Fairly large vote with hard work on part of prohibition workers. In the county Vanceboro votes dry by 35 majority; Fort Barnwell, dry by 28 majority; and Dover, wet by 20 majority.

Beaufort, Pamlico and Hyde.
WASHINGTON, N. C., May 26.—Election day passed off very quietly in this city, resulting in a majority of 323 votes for prohibition. Returns from the county give prohibition a majority of 550 votes, including the vote of this city.

Returns from Pamlico county, all precincts but one, give a majority of 126 for prohibition. Hyde county, two precincts not heard from, gives prohibition a majority of 351.

Very Close in Wayne.
GOLDSBORO, N. C., May 26.—Goldsboro gave a majority for prohibition of 225. The church bells were ringing constantly through the day, and ladies held prayer meetings. Returns received throughout Wayne county indicate that this majority will be cut down, and that there is a possibility for the anti to win.

Wilson Goes for Prohibition.
WILSON, N. C., May 26.—Prohibition carried Wilson county by about

715 majority. Wilson township voted dry by 700 majority, and unconfirmed returns from county precincts give those townships fifteen majority dry. This is about double the expected prohibition majority.

Anti-Carry Person.
ROXBORO, N. C., May 26.—Returns show that anti-prohibition in Carry Person by about 250 majority, which will be greatly increased by the official returns. There has been little work done by either side, except in the town of Roxboro. The campaign has been conducted on a high plane, and has ended without any hard feelings manifested.

Pasquotank Very Close.
ELIZABETH CITY, N. C., May 26.—The prohibitionists claim Pasquotank county by a small majority. The returns received so far give 1 majority for whiskey. Three precincts yet remain to be heard from. From these the prohibitionists claim they will get enough votes to give them a majority. Camden, 95 wet; Currituck, 250 dry, estimated.

Elizabeth City went dry 48 majority; fall of 3 votes from last election. This is accounted for by quite a number of dry voters failing to register unintentionally.

In Davidson.
LEXINGTON, N. C., May 26.—A large vote was polled in Davidson county to-day. The county is dry by 500 or 600 majority. Lexington, the largest township, gave 400 majority dry.

Every township except two gave dry majorities. The county has been in the wet column heretofore. The vote in the county was larger than the last gubernatorial vote. The ladies were at the polls in large numbers.

Supreme Court.
The Supreme Court yesterday granted a writ of error and supersedeas in the case of Juan Dalea vs. the Virginia Cedar Works, from the Circuit Court of Norfolk county. The litigation grows out of the loss of a hand by the plaintiff while in the employ of the defendant company. It seems that Dalea had one of his hands accidentally cut off by a saw at the plant of the concern, and he received a verdict for damages in the lower court.
